**MANGALMAY** GROUP OF INSTITUTIONS

FROM THE DESK OF  
**CHAIRMAN**

# WELCOME TO MANGALMAY WORLD

I am delighted to observe that Mangalmay Group of Institutions has achieved remarkable success in the realms of technical, pharmaceutical and management education over the years. Since the inception of the institute, my primary focus has been to prioritize research, innovation, and the pursuit of excellence in the teaching and learning process for the benefit of our students.

I extend my heartfelt gratitude to the entire teaching fraternity of the institute, who instilled confidence in me and supported me in elevating the institute to new heights. The dedicated efforts of the teaching staff led one of the institutes to attain NAAC "A" grade accreditation, marking the first stride towards excellence.

In the past years, the institute made collaborations and agreements with esteemed industrial houses and academic institutions, stimulating our academic environment and igniting a fervor to pursue excellence wholeheartedly.

I am overjoyed to witness a team of dedicated and experienced faculty members working diligently to propel the institute to the next level, positioning it alongside other top institutions. I extend my best wishes to them for their ongoing efforts. The state-of-the-art campus infrastructure, equipped with modern teaching and research facilities, adds significant value to the teaching-learning process in alignment with the institute's vision and mission.

It is particularly satisfying to note that the institute offers career-oriented courses personalized to meet the requirements of the industry and society at large at every stage.

I welcome you to the institute and assure you of the best professional career opportunities that align with your skills and ambitions.

Best regards,

**Atul Mangal**  
Chairman, Mangalmay Group of Institutions

FROM THE DESK OF  
**VICE CHAIRMAN**

It is with immense pleasure that I extend a heartfelt welcome to you at our esteemed institution, proudly holding the prestigious 'A' Grade accreditation from NAAC.

With all humility and determination, we are committed to transforming education to cater to the diverse needs of all our students. Our institution is devoted to nurturing talented and ambitious individuals, equipping them with the knowledge and skills essential for leadership roles in their chosen fields.

In our relentless pursuit of excellence in teaching and learning, Mangalmay offers a diverse array of long and short-term professional certification programs spanning disciplines such as Management, Engineering, Teacher Education, BBA, BCA, and more. The institute is fortified with outstanding resources for curricular, co-curricular, and extracurricular activities, underscoring an unwavering commitment to nurturing a conducive learning environment. Our highly qualified faculty members and an extensive library further enhance the educational experience for our students.

Let us join forces to shape a future that not only fills your parents, peers, and society with pride but also ensures that success is not merely anticipated but guaranteed.

At Mangalmay, your dreams become ours, your aspirations align with ours, and your victories are celebrated as our collective success.

Wishing you the very best of luck in all your future endeavors!

Warm regards,

**Er. Aayush Mangal**  
Vice Chairman, Mangalmay Group of Institutions

FROM THE DESK OF  
**EXECUTIVE DIRECTOR**

I am delighted to extend a hearty welcome to each of you as we embark on yet another thrilling academic year at the distinguished Mangalmay Group of Institutions.

It is worth noting that the Mangalmay Group of Institutions has garnered both national and international acclaim over the years, earning a significant NAAC "A" Grade accreditation.

I am confident that our pursuit of excellence will persist, gathering additional accolades in the near future. This endeavor aims to make an enduring impact, cultivating an environment that nurtures intellectual growth, innovation, and personal development.

Our institutions inherit a rich history of producing graduates who have made substantial contributions to their respective fields, communities, and the global arena. As we move forward, our commitment to providing a world-class education remains unwavering. We are devoted to embracing evolving technologies and addressing the diverse needs of our students in Management, Engineering, and Pharmacy alike.

The outstanding faculty members and staff at the Mangalmay Group of Institutions play a pivotal role in supporting our mission. Their dedication strengthens our determination to optimize resources for the benefit of our students. We encourage all students to actively engage in club activities and extracurricular pursuits, enhancing their overall college experience. Sincerely,

Last but not the least, I express my gratitude and best wishes to each one of you for choosing to be a part of Mangalmay Group of Institutions. Together, let us make this academic year a rewarding and fulfilling journey.

With Best Wishes,

**Prerna Mangal**  
Executive Director, Mangalmay Group of Institutions

## ABOUT MANGALMAY

Founded in 2002, the Mangalmay Group of Institutions has emerged as a leading institution with a coveted NAAC “A” Grade Accreditation.

Throughout its extensive educational journey, the institution has steadfastly focused on innovation, excellence, and the cultivation of global leaders for a sustainable future. To deliver a comprehensive educational experience, we seamlessly integrate knowledge, industry expertise, research, and global exposure into our curriculum. Recognizing that academic excellence alone is insufficient for success in the modern corporate world, Mangalmay institutions prioritize holistic development. Our cutting-edge facilities, collaborative study areas, and diverse extracurricular activities collectively contribute to fostering a supportive environment where students can develop intellectually, socially, and professionally.

### Educational Legacy of 22 Years

With over two decades of experience in the education sector, the Mangalmay Group has consistently delivered a distinctive and unparalleled learning experience to students. Since its inception, the Mangalmay Group of Institutions has remained steadfast in its commitment to creating an environment conducive to learning, ensuring that students not only excel academically but also thrive in their professional endeavors. Our philosophy centers on the belief that educational institutions should produce graduates well-prepared for the industry, capable of addressing corporate challenges in a manner that aligns with management expectations and fulfills market demands. This involves upholding ethical standards and fostering a cohesive workplace atmosphere. At the core of our vision is the integration of premium, high-quality education with a global perspective. We aspire to empower our students, instilling in them the confidence to take their first steps towards becoming global leaders.

## MASTER OF BUSINESS ADMINISTRATION

Mangalmay Institute of Management and Technology (MIMT), affiliated to Dr. A. P. J. Abdul Kalam Technical University (AKTU) in Lucknow and Approved by AICTE – MHRD – Government of India, presents an extensive and challenging MBA program designed to ignite students' managerial skills. The institute strictly follows the course curriculum of the affiliating university in both letter and spirit. MIMT offers dual specializations in Marketing, Finance, Human Resources, International Business, Information Technology, and Operations, aligning with the university's advisories and guidelines. In the rapidly changing business environment of today, there is a continual demand for agile managers.

The curriculum integrates combined and experiential learning, incorporating guest lectures, company visits, and various value-added courses for the benefit of students and faculty. Core pedagogies include business simulation and case studies. MIMT has established a robust industry network for internships, live projects, and placements.

### Eligibility:

Applicants must have successfully completed their graduation under the 10+2+3 scheme, securing a minimum of 50% marks in any discipline from a recognized university. Those currently in the process of completing their qualifying examination or awaiting results may apply provisionally. However, their admission is conditional upon passing the qualifying examination.

## KEY DIFFERENTIATORS

- Contemporary curriculum nurturing knowledge through presentations and group discussions.
- Experienced faculty comprising highly qualified policymakers, managers, academicians, and administrators.
- Knowledge-Skill-Attitude (KSA) framework for advancing the professional ladder.
- Industrial tie-ups and collaborations.
- Advanced flexible curriculum enabling students to choose their major.
- Weekly mentor-mentee sessions.
- Software skills for managing specialized areas in the 21st century.
- Intensive industry interaction with corporate leaders and management gurus.

## VALUE ADDITION

- Industry-desired workshops on Digital Marketing, Business Analytics, Stock Market Operations, Life Skills, Creativity and Innovation, and Leadership to prepare students for the industry.
- Opportunities to work on live projects/mini projects.
- Case-based teaching using real-life scenarios.
- Professional enhancement through career development courses.
- Sports and cultural exposure for holistic student development.
- Hands-on training to cultivate their analytical mindset.

# MBA<sup>++</sup>

+ IIM BANGALORE CERTIFICATION

+ PG CERTIFICATE IN ADVANCED  
FINANCIAL MANAGEMENT AND RISK ANALYSIS

Welcome to MIMT, where an transformative journey awaits you on the path to managerial mastery. Our MBA++ program is meticulously designed to empower individuals like you to excel in the dynamic and ever-evolving landscape of global business. MIMT has established MBA++ as one of its flagship programs and instills a sense of future entrepreneurship to contribute to national growth and development. Excitingly, IIM(B) has endorsed their certification of competitive advantage under our collaborative agreement with them.

## A Unique & Distinctive Learning Experience

At MIMT, we believe in the synergy of academic rigor and practical wisdom. Our distinguished faculty, comprised of seasoned academics and industry experts, is dedicated to cultivating a learning environment that promotes critical thinking, strategic decision-making, and innovative problem-solving.

## Curriculum Designed for Success

With a focus on developing advanced skills essential for leadership roles, our MBA++ program is carefully designed to provide a thorough understanding of business fundamentals. Our program equips you with a well-rounded skill set to thrive in the competitive global marketplace, covering foundational courses in finance, marketing, and operations, as well as specialized electives and certification programs aligned with industry trends. The curriculum emphasizes virtual learning, mirroring the realities of the business world and equipping students with the skills and information needed to succeed in the workplace.

## State-of-the-Art Facilities

Experience learning in an environment where innovation thrives. Our campus features cutting-edge facilities, including technologically advanced classrooms, a well-equipped library, and collaborative spaces designed to inspire creativity and collaboration.

## Experiential Learning Opportunities

Seize the opportunity to apply theoretical knowledge in real-world scenarios through internships, case studies, and collaborative projects. Our emphasis on experiential learning ensures that you not only grasp concepts in the classroom but also gain practical insights that set you apart in the professional arena.

## BACHELOR OF TECHNOLOGY

Mangalmai Institute of Engineering & Technology (MIET) offers a four-year full-time B.Tech program in the following streams:

- **B.Tech in Computer Science & Engineering,**
- **B.Tech in Computer Science & Engineering ( Data Science)**
- **B.Tech in Computer Science & Engineering ( Artificial Intelligence)**

All these programs are duly approved by the All India Council for Technical Education (AICTE), Ministry of Education, and the Government of India. and affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow. Although the course structures and syllabi are designed by AKTU - Lucknow (UP), MIET employs a well-proven diversified pedagogy to impart knowledge through numerous Value-Added Programmes and Add-On programmes for specific dedicated hours to hone the skills of the students.

MIET's experienced, dedicated, and knowledgeable faculty members committed to the students' benefit all the time. The institute provides state-of-the-art infrastructure, creating an excellent environment for teaching and learning. Following the norms of NEP 2020, MIET allows students to choose subjects beyond the core curriculum, promoting multidisciplinary education.

The institute has been recognized as one of the best innovation centers, nurturing creativity for both faculty and students. MIET emphasizes world-class training, research, and active industry-academia collaboration for the overall development of its students. The institute have concerted partnership with many reputed companies such as IBM, IIT Kanpur, Future-Zen group, ICT Academy, UiPath, GTT Foundation, and C# Corner etc. The curriculum integrates engineering, mathematics, science, humanities, entrepreneurship, and life skills essential for successful careers for our students.

MIET adheres to the curriculum of Dr. A.P.J. Abdul Kalam Technical University, Lucknow, with an innovative approach, offering students the freedom to choose from various options and explore their talents. Regular industry interactions, workshops, seminars, field projects, dissertation and capstone projects, internships, and educational tours are organized to enhance students' learning experience. The institute employs a research-driven education system.

**EDUCATION IS NOT  
PREPARATION FOR  
LIFE; EDUCATION IS  
LIFE ITSELF.**

**-John Dewey**

eligibility

### **Eligibility:**

The candidate must have passed (without grace) Intermediate (10+2 Level) Examination or its equivalent from any Recognized Board, securing minimum 60% marks in aggregate in the required subjects with a combination of two Compulsory Subjects- Physics & Mathematics and one optional subject of Chemistry/Biotechnology/Biology and UPSEE/JEE Mains Qualified.

# HIGHLIGHTS

## MIET Highlights:

- Recognized among the best engineering colleges in the DELHI/NCR Region.
- Industry-oriented programs designed to make students think and feel like engineers from day one, catering to the needs of Industry 4.0.
- Academic and research excellence facilitated by highly qualified and experienced faculty.
- Regular industry interaction through industrial visits, workshops, seminars, guest lectures, and conferences.
- Campus placement and corporate training activities to develop employability skills and business awareness.
- Bridging the gap between industry and academia through regular sessions conducted by industry experts.
- Opportunity for students to earn professional skills certificates from industry partners like IBM, IIT Kanpur, Future-Zen group, Farelabs, ICT Academy, UiPath and Infosys Springboard.

## Bachelor of Technology in Computer Science & Engineering

The Department of Computer Science and Engineering offers a 4-year B.Tech. program in Computer Engineering. This program emphasizes key areas such as software engineering, algorithm analysis and design, operating systems, computer graphics, database and information systems engineering, and networking technologies. Students are exposed to cutting-edge technologies, including High-Performance Computing, Computer Animation and Gaming, Machine Learning, Data Analytics, Information and Cyber Security, and Software Engineering.

## Bachelor of Technology in Computer Science & Engineering (Data Science):

This 4-year undergraduate program in Computer Science Engineering specializes in Data Science. Its objective is to provide a solid foundation in Computer Science Engineering while imparting specialized knowledge in the field of Data Science. The program equips students with the skills to construct and evaluate data-based models and conduct statistical analyses using professional statistical software.

## Bachelor of Technology in Computer Science & Engineering – (Artificial Intelligence):

A 4-year undergraduate program in Computer Science and Engineering with a focus on Artificial Intelligence (AI). It offers a comprehensive understanding of AI principles and their applications in scientific and engineering domains. Students gain the ability to analyze complex engineering problems and develop solutions using AI. The program also covers the application of appropriate techniques and modern engineering tools for computer system design and integration.

### Major Highlights:

A. MIET has highly competent faculty members, holding Ph.D. qualifications, committed to elevating educational standards.

B. The department has produced over 100 computer engineering projects in areas such as machine learning, data mining, cloud computing, and IoT in recent years.

**B.Tech. - Lateral Entry- 2nd year  
(All Branches)**

Mentioned above

# FUTURISTIC LEARNING

Mangalmay Institute of Engineering & Technology's B.Tech. course stands out with world-class faculty, cutting-edge infrastructure, an industry-relevant curriculum, academic collaborations, internships, and placements. Graduates are prepared to work in multidisciplinary domains, solving engineering problems, designing and evaluating solutions, algorithms, and protocols. The curriculum focuses on digital transformation technologies, employing a mix of interactive lectures, tutorials, laboratory work, case studies, literature surveys, and project work. The department supports students in Research and Development activities and encourages innovative ideas through events like ideathons and hackathons.

## INDUSTRY ORIENTED INNOVATION LABS & TRAINING PROGRAMME:

### BACHELOR OF COMPUTER APPLICATION

The Bachelor in Computer Application program at Mangalmay Institute of Management and Technology is affiliated to CCS University (Meerut) and a popular choice for those seeking a career in Computer Science & Information Technology. This program provides comprehensive knowledge, placing equal emphasis on both theory and practical applications in the field of Computer Science & Information Technology.

A BCA graduate will possess advanced skills in the effective analysis, design, and implementation of business systems using contemporary Information Technology.

The program's overarching objective is to establish a solid academic foundation for the development of an advanced career in Computer Applications. It offers a conceptual understanding of the computer age alongside practical business applications, preparing candidates for entry-level jobs in the IT sector. BCA is an undergraduate academic degree with a duration of three years.

## Value Added Modules

The BCA Department consistently strives to enhance students' employability skills and soft skills through value-added modules aligned with the university course curriculum. These modules cover technical competencies, grooming, communication etiquette, personality development, and soft skills. Some of the modules include:

- Introduction to Data Science, Artificial Intelligence, & Machine Learning Blockchain and Applications
- Big Data Analytics and its Applications
- Full Stack Development
- Amazon Web Services (AWS)
- Internet of Things (IoT)
- Introduction to Cloud Computing & its Application
- Introduction to Python Programming
- Hardware, Assembly & Networking
- Software Testing Tools and Techniques
- Communicative English & Soft Skills
- Academic Research Paper Writing

## FACULTY

The faculty of the Department is deeply committed to updating their knowledge in line with the latest trends and technologies. They actively engage in research and contribute to publications in areas such as Data Science, Deep Learning, Machine Learning, Blockchain, Cloud Computing, Internet of Things (IoT), Fuzzy Logic, Mathematical Modeling, Optimization, and Operations. Their publications appear in ABDC, SCI, Scopus, UGC Care Indexed National and International Journals. Faculty members participate proactively in National and International Seminars, Conferences, and Faculty Development Programs, bringing a wealth of academic and practical experience to the students they mentor.

Life at Mangalmai Institutions was a wonderful journey to be cherished for a lifetime. It is the epitome of quality education and personality building. It has always excelled in transforming its students to corporate ready professionals. It's a milestone in the journey of my life which I would cherish till the very end. # SCHOOL OF EDUCATION

Mangalmai Institute of Management & Technology in Greater Noida is a NAAC accredited institution. The institute has been honored with the prestigious "Indian Education Leadership Award,". It offers a full-time four-year integrated B.A.-B.Ed. UG program. It is duly approved by the National Council for Teacher Education (NCTE), Government of India, and are affiliated to Chaudhary Charan Singh University, Meerut.

The Department of Education at Mangalmai Institute aims to prepare professionals with an ethical edge to demonstrate excellence in both classrooms and workplaces. The outstanding performance of our previous batch is a testament to our quality as the entire batch of the students getting selected in CTET & SUPER TET. We are also planning to launch Technopreneurship, a unique initiative in the education startup domain at the institute. At Mangalmai Institute of Management & Technology, our goal is to shape self-motivated and technologically competent teachers in the contemporary digital era—individuals who are intellectually competent, morally upright, socially committed, and technologically skilled.

## B.A.B.Ed.

The School of Education at MIMT provides students with high quality learning opportunities, hands-on experiences such as Art & Craft lab, Psychology lab, Language Lab, Science lab, Computer lab, Departmental Library and Smart classrooms to prepare them for a career in Education. An experienced and qualified faculty offer their unparalleled experiences in their respective areas of specialization. As a pioneer of Excellence, we introduce innovations in Education for continuously improving the quality of teacher training.

### Eligibility:

Pass with 50% aggregate marks in Senior Secondary or 10+2 or equivalent. (5% relaxation for SC/ST/OBC applicants)

### Distinct features of B. A. B. Ed. Programs offered at MIMT

- Highly qualified and experienced faculty
- Outstanding University Results
- CTET and State TET coaching provided to students
- NET coaching for Post Graduate Students
- Excellent Placements and Results
- **Skill Enhancement Classes:**
  - Regular Personality Development classes for students
  - English Communication classes
- Internship in Reputed Schools
- Digital Library with a large number of Books, Journals, Magazines, etc.

## Integrated B.A.B.Ed Programme

It is preferable to pursue an integrated B.A.B.Ed. program rather than a B.A. program only. The integrated B.A.B.Ed. is a four-year undergraduate program that offers a dual degree. This integrated curriculum allows students to save one year by completing both a B.A. and a B.Ed. degree. The four-year B.A.B.Ed. is a combined course in which the primary objective is to prepare quality middle and secondary school teachers in Languages and Social Science.

## Program Educational Objectives

- All round training that is intellectual, cultural, social, emotional, physical, aesthetic, moral and spiritual.
- To provide such education that will influence thinking and achievements at that work place.
- To create teachers with high levels of sensitivities in the domain social and emotional intelligence.
- To equip trainee teachers with skill- set that would enable them to integrate into the existing school system ease.
- To provide an environment to train teachers that is economically affordable yet qualitatively superior.
- To maintain a balance between theoretical and practical components of the program, thus representing a wide knowledge base of a school teacher.

## Career Scope:

B.A.B.Ed. Programs offer an excellent career path, providing employment opportunities in various government/ government-aided institutions as well as private schools as TGT & PGT. Graduates can pursue M.Ed. after completing the B.A. B.Ed. degree to join Teacher Education Institutes as Assistant professors.

- S** = Socially Sensitive professional who looks at societal problems with a perspective of offering solutions to it.
- P** = Participative in the process of societal upliftment, development and nation building
- I** = Independence (Atma Nirbhar) in developing self-reliant India and mindset
- R** = Responsible of our actions and takes the responsibility of giving it back to society.
- E** = Entrepreneur having vision to offer solution, support and enabling an ecosystem of atma nirbhar.

## Institution's Innovation Council (Ministry of Education Initiative)

Initiative of Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's Innovation Cell (MIC)

- **To systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs).**
- **The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas while they are in formative years.**

MIC has envisioned creation of 'Institution's Innovation Council (IICs)' across selected HEIs. A network of these IICs will be established to promote innovation in the Institution through multidinous modes leading to an innovation promotion eco-system in these campuses.

# ALUMNI SPEAKS

It was a beautiful journey of my study at MANGALMAY. I feel proud to be a part of this college. It was an accomplishing experience to get placed after various attempts. I am feeling proud to have campus placement. It only became possible due to the efforts made by the college CRD Department, which acts as an interface between the students and the various organizations I owe a lot to my college both professionally and personally.

**Saurabh Kumar**  
**Centilytics Pvt. Ltd.**  
**B.TECH**

It has always been a good place to support the students in the development of their overall personality. All thanks to CRD for making my path clear towards my goal and helping me to touch heights for making me a "True Professional". The complete ensemble, including the faculty, infrastructure, co-curricular activities, industry interface, placement assistance and the soft skill training contributed to make me "Future Ready". My journey was phenomenal. Thanks.

**Abhishek Gupta**  
**Flipkart India Pvt Ltd**  
**MBA**

Taking admission in Mangalmay was the best move I made in my life. It not only gave me career mentors but career guardians. After having certain work experience, I wanted to gain the knowledge that school provides for career growth. I got the placement in the final year and I am working with a well renowned company as market leader in its segment all because of the CRD team for helping and pushing me beyond my limits.

**Alka Kumari**  
**Bandhan Bank**  
**MBA**

Personally thank MANGALMAY faculties and CRD Placement cell for putting in all the efforts to groom me and making me a corporate professional. MIET is a place of learning with many more such life preaching activities and added value to my life. It gave me more opportunity to present myself in front of others and I have learned a number of things from my college life.

**Amit Singh**  
**Unthinkable**  
**B.TECH CSE**

Mangalmay is an institution where the emphasis is given on overall development of the students with much priority to academics, personality development and placement training activities so that it's graduates can lead the world. Thanks, Mangalmay.

**Sudhanshu Ranjan**  
**Learning Routs Pvt. Ltd.**  
**BBA - P**

It is a privilege for me that I got placed through Mangalmay and now I am working in a wonderful organization to focus myself on being an industry professional in order to build my future. It gives me immense pleasure to thank all the teachers, staff and CRD department for all the skills, confidence and enlightenment that made me achieve this opportunity with ease.

**Mansi Rawat**  
**Extramarks Education**  
**BBA**

Life at MIMT was a wonderful journey to be cherished for a lifetime. MIMT is the epitome of quality education and personality building. MIMT has always excelled in transforming its students to corporate ready professionals. The placement department provided a lot of support to the students by organizing various personality development classes, guest lectures, Industry oriented trainings and bringing reputed companies at the campus for placements."A big Thanks to each and everyone at Mangalmay.
