## CHAIRMAN'S MESSAGE

"We aspire to be a leading institute that offers transformative education for the development of leaders and innovators and entrepreneurial excellence for business, government, and society. Our aim is to teach students to LEARN, not just STUDY. Hence, we strive to travel beyond the boundaries of mere books. We have realized that the future is abstract and unknown but the youth in our hands are real and can be moulded.

Our success today relies on the solid foundations we have built during the past years, and we aim to always be the institution of opportunities and dreams that is not limited by any challenges.

Mangalmay's interactive learning approach facilitates the development of committed, ethical, and professional leaders for a better world."

# B.TECH

BACHELOR OF

TECHNOLOGY

COMPUTER SCIENCE  
ARTIFICIAL INTELLIGENCE  
DATA SCIENCE

The Department of Engineering & Technology at Mangalmay Institution aims to equip the students with the ability and skills to analyze, design and develop computer systems and their applications, with a curriculum that has a balanced emphasis on theory, practicals and projects. Mangalmay Institutions offers a four year full time B.Tech programme in Computer Science Engineering (CSE), CSE-Artificial Intelligence (AI) and CSE-Data Science (DS) duly approved by All India Council for Technical Education (AICTE), Ministry of HRD, Government of India and affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow.

## CSE

This programme provides you with a sound knowledge of computing principles and applications in scientific and engineering domains. It develops in you an ability to analyze complex engineering problems and generate solutions through computing.

## CSE – AI

This programme is a 4-year undergraduate programme in computer science and engineering with a specialization in Artificial Intelligence (AI). It provides you with a sound knowledge of Artificial Intelligence principles and applications in scientific and engineering domains with an ability to analyse complex engineering problems and generate solutions through AI. You will also get to know how to apply appropriate techniques and modern engineering hardware and software tools for the design and integration of computer system and related technologies, also to engage in lifelong learning for the advancement of technology and its adaptation in multi-disciplinary environments.

## CSE – DS

This programme is a 4-year undergraduate programme in Computer Science Engineering with a specialization in Data Science. The aim is to understand the fundamental concepts of Computer Science Engineering with specialized engineering knowledge in the areas of Data Science. It will develop the ability to build and assess data-based models and will execute statistical analyses with professional statistical software.

# Why

## B.Tech from Mangalmai ?

The objective of B.Tech program is on developing and strengthening systems thinking, problem-solving, analysis, design, research, teamwork, communication skills, and readiness for lifelong learning in areas of Artificial Intelligence, Machine Learning, Deep Learning, Cloud Computing, Cyber Security, Embedded Systems, Internet of Things, Applications in Healthcare and Smart Living. The courses run by the Department use mixed techniques of interactive lectures, tutorials, laboratory work, guided case studies, literature surveys and project work that require teamwork, critical and creative thinking.

### INDUSTRY ORIENTED INNOVATION LABS & TRAINING PROGRAMME:

## Add-On Trainings

At Mangalmay, we strive to create professionals equipped with future technological Skills to build the future of their dreams. Hence, the Department of Engineering & Technology offers 34 additional trainings to the students of B.Tech.

I belong to the wonderful family of MANGALMAY College. Supportive seniors and faculty, beautiful campus, quality education and amazing placement cell providing enormous no of opportunities for placement is the hallmark of this college. The growth I have seen in myself due to the help of the CRD Department is invaluable. It taught me things far beyond bookish knowledge and helped me broaden my horizons. The professors here are all experts in their respective fields and as such are able to provide excellent technical knowledge to the students. The classes are very interactive and faculties ensure that every student understands what are being taught before proceeding. Thanks to the entire Mangalmay team.

# MBA

MASTER OF

## BUSINESS ADMINISTRATIONS

Holistic management education continues to be the need of the industry. Businesses look for skilled management professionals to accept challenges in a rapidly changing economic environment. The MBA Program at Mangalmay Institute of Management & Technology enables students to master skills through its rigorous curriculum and build a portfolio of experience through multiple internships and real-world learning opportunities that prepare them to excel.

The MBA programs are affiliated to Dr. A. P. J. Abdul Kalam Technical University, Lucknow (Formerly Uttar Pradesh Technical University) and therefore, the Institute follows the regular Curriculum of the University. But besides following this curriculum, the Institute arranges special PDP sessions, and also the students are made to attend special Industrial training at designated Training Institutes to enhance their employability skills.

Mangalmay's MBA program offers dual specializations in Marketing, Finance, Human Resource, International Business, Information Technology and Operations.

### Why MBA from Mangalmay?

The objective of the MBA programme is to accelerate the career of budding managers by providing a strong foundation. It includes workshops, training and certification from a wide range of Indian and global content. The strategy is designed under the framework of knowledge-skill-attitude (KSA) for climbing the professional ladder.

## Add-on Certification Courses

### Eligibility:

The candidate must have passed Graduation (under 10+2+3 scheme) with minimum 50% marks in any discipline from a Recognized University. Those appearing in their qualifying examination or awaiting results may apply provisionally, however their admission will be subject to their passing the qualifying examination.

### Course Fee :

**Mr Deepak Baswan**  
*HR – Tech Mahindra*

After our interactions with students, we perceived a distinct curious and creative bent of mind among them. Contemporary and classic domain knowledge seemed to have laid a strong base, fuelling their ambitions and a passion for excellence. Impressive performance by the students.

## Institution's Innovation Council (Ministry of Education Initiative)

Initiative of Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's Innovation Cell (MIC)

- **To systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs).**
- **The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas while they are in formative years.**

MIC has envisioned creation of 'Institution's Innovation Council (IICs)' across selected HEIs. A network of these IICs will be established to promote innovation in the Institution through multidinous modes leading to an innovation promotion eco-system in these campuses.

# STARTUPS INNOVATIONS ENTREPRENEUR

### Objectives of MIMT-IIC

- To create a vibrant local innovation environment.
- Centre for Start-up support.
- Nurturing ideas and Pre-incubation of Ideas.
- Develop better Cognitive Ability for Engineering Students.

### Successful Startups Mentored

It was a beautiful journey of my study at MANGALMAY. I feel proud to be a part of this college. It was an accomplishing experience to get placed after various attempts. I am feeling proud to have campus placement. It only became possible due to the efforts made by the college CRD Department, which acts as an interface between the students and the various organizations I owe a lot to my college both professionally and personally.

**Praveen Yadav**

**Oppo Mobiles India Pvt Ltd**  
**B.TECH**

It has always been a good place to support the students in the development of their overall personality. All thanks to CRD for making my path clear towards my goal and helping me to touch heights for making me a "True Professional". The complete ensemble, including the faculty, infrastructure, co-curricular activities, industry interface, placement assistance and the soft skill training contributed to make me "Future Ready". My journey was enormous. Thanks.

**MBA**

Taking admission in Mangalmay was the best move I made in my life. It not only gave me career mentors but career guardians. After having certain work experience, I wanted to gain the knowledge that school provides for career growth. I got the placement in the final year and I am working with a well renowned company as market leader in its segment all because of the CRD team for helping and pushing me beyond my limits.

**Abhishek Chaudhary**

**Lido Learning Ltd**  
**B.TECH CSE**

I personally thank MANGALMAY faculties and CRD Placement cell for putting in all the efforts to groom me and making me a corporate professional. MIET is a place of learning with many more such life preaching activities and added value to my life. It gave me more opportunity to present myself in front of others and I had learned a number of things from my college life.

**TO YOU,**  
**YOU GO TO IT.**

Mangalmai is an institution where the emphasis is given on overall development of the student with much priority to academics, personality development and placement training activities so that its graduates can lead the world. Thanks, Mangalmai.

**Jenu Jayan**  
**Spicejet India Ltd.**  
**MBA**

It is a privilege for me that I got placed through my Mangalmai and now I am working in a wonderful organization to focus myself on being an industry professional in order to build my future. It gives me immense pleasure to thank all the teachers, staff and CRD department for all the skills, confidence and enlightenment that made me achieve this opportunity with ease.

**Saurabh Kumar Sharma**  
**Vivo Collaborations India Pvt Ltd**  
**BBA**

Life at MIMT was a wonderful journey to be cherished for a lifetime. MIMT is the epitome of quality education and personality building. MIMT has always excelled in transforming its students to corporate ready professionals. The placement department provided a lot of support to the students by organizing various personality development classes, guest lectures, Industry oriented training and bringing reputed companies at the campus for placements. "A big Thanks to each and everyone at Mangalmai.
